1. On 25 May 1953.	ar Eberswalde, quarte	the for	per paper-mill in
25X1 2. On 20 April 1:53, a VP unit which had been quartered at the former district court in Eberswalde moved to Spechtshausen to bivouac in six large tents. The former district court was still guarded by KVP sentries.			
25X1 the shutters of the low wooden buildings there were closed and work on the surrounding wall had discontinued.

4. On 9 June 1953, a	factory area at the n	orthern exit of Spec	htshausen was occupied
by KVI. Five large tents were in the northern section of the installation. Trucks which partly were loaded with			
clothing passed t	he gate. Drivers and o	o-drivers had red co	llar patches.
25X1 Comment. T	he district court in F	berswalde quartered	the main administration
of the DfD until	February 1953. When thand guarded the instal	is organization was (leactivated VVP in
onis vv. guard de	tail moved to Spechtsh ne KVP was established	ausen. It is nostible	that a ration
